

## Timetable of the regular Volán coaches

Tickets for these buses are available at vending machines or in the bus ticket office in the station building. The busride takes approx. 35-40 minutes. You have to take the bus to the direction of ESZTERGOM and get off at the 15th stop, called *Pázmány Péter Egyetem*.

Note: in addition to these buses, train replacement buses are also operated on the same itinerary, due to construction works on the railway line. The train replacement buses are indicated with letters (E, S, etc.). The tickets are available in the station building in the railway ticket office (Vasúti Pénztár) opposite to the entrance (about HUF 500). Please note that the same ticket cannot be used for the Volán coaches and for the train replacement buses
